Dear Sir,

We are a company skilled in providing corporate training to our corporate clients through quality trainers having strong communication skills and domain knowledge of the industry and software. We have 13 years experience in software training. We can give enhance the employee productivity by empowering him the knowledge about the resources and software he has to use. I assure u after going through our training sessions you will find a mark difference in the way simple tools like MS Office are used to impress your clients, to generate more business for your company.

Our expertise is in following areas:-

- 1) Financial accounting packages like Tally and Busy.
- 2) Operating software like Windows XP, VISTA.
- 3) MS office software.
- 4) ORACLE, SAP, BAAN or other ERP.

Apart from the technical trainings we also undertake the Employee Motivational, Sigma Six, Gung ho workshops.

Training Manager

Poonam Vahi
